Be a part of India's biggest event for cold chain industry

India Cold Chain Show is the most popular and dynamic B2B exhibition catering to India's Cold Chain industry. With the success of eight editions, the show has enjoyed being the only successful platform to converge and showcase innovations, market trends and latest technologies focused on cold storage, refrigeration, reefer transport as well as cold supply chain segments. Cold storage and cold chain companies have been the permanent target audience for ICCS as they are the biggest consumers of equipment & technology.

Furthermore, leading professionals from pharmaceutical, biotech, retail, dairy, seafood, meat and processed food visit the show from across the globe to source latest technologies, connect with industry stakeholders, learn about market trends, and upgrade existing products and services.

Featured zones

Under this dedicated zone, solutions for temperature controlled storage and movement of goods will be displayed. An array of products such as insulated boxes with inside liners/covers, insulated containers, gel packs/ cold packs, isothermal pallet covers, refrigerated bags, lino bags etc. will be on display.

Under this premier segment innovations, trends & technologies pertaining to the refrigerated transport and cold chain industry will be showcased.

This zone will bring forth companies from cold supply chain services, cold storages, cold logistics and transport related service providers at the event.

Testimonials

India Cold Chain Show is a good platform for exhibiting & knowledge sharing. It is an excellent tradeshow at a big level that surely helps and paves the way forward.

Dr. K. Rathnam
CEO, Milky Mist

It is a platform that covers the entire cold chain. Presently, cost plays an important role as people want cost-effective solutions. Customers are trying to save but not enough options are available. At India Cold Chain Show I could find these solutions and thus it caters to the industry.

Udit Gupta
Head of Supply Chain, Chaayos

Participating in the India Cold Chain Show at Mumbai is a truly wonderful experience. It's an exceptional platform for connecting buyers and sellers, building valuable industry collaborations, and showcasing the latest innovations in cold chain solutions and technologies. The event's organization and the quality of attendees were outstanding.

Rohan Bellikatti
Managing Director (India & Srilanka) at LAMILUX

ICCS is a must-attend event for anyone in the cold chain industry. From advanced refrigeration technologies to last-mile delivery solutions, the show covers everything we need to stay ahead in the industry.
